FLEET DISBANDS WITHIN A WEEK

Planned to Have Battleships Reassemble Again on May 15.

(Continued from First Page.)

ports for extensive repairs and over hauling of their boilers. They will be replaced by the battleships New Hampshire, Mississippi, and Idaho, which now form a part of the third squadron.

Goes to Boston.

The battleship Illizois will go to the Boston navy yard for boiler overhauling also receive extensive repairs, going to the end of his or her name the navy yard at Portsmouth, N. H.

ford, R. I., where they will coal with selected grade of coal and start immediately for their competitive coal con-

Clouds Disappear.

FORT MONROE, Va., Feb. 24.-The sun greeted the fleet today for the first time since its homecoming, and gave it a warm welcome. The rain over everyone made a rush for the ships, but the numbers aboard were limited, owing to received his diploma in October of that the work of coaling. Few officers were year.

There will be no change in the position of the ships until after the end of lation with the Oriental University. the week. Eight of them will remain here until it is time to steam to Washington and never was," said Dr. Powell. maining eight, with those which acted as escort to the wandcrers, will go to the various navy yards to be overhauled and put back in ship shape. Upon their sides are barnacles of many sizes and varieties, some of them having their birth in the Red sea, some in the Yellow sea and some in the Atlantic ocean. Still the chief leads as "fit are field." and the ships look as "fit as a fiddle," and there is nothing about them to indicate that they have just returned from a voyage of 42,000 miles, the longest cruise ever made by a squadron of modern

There is dismay among the plain sailormen. They had hoped to get shore leave today. They have been looking with much eagerness to the time when they may put foot on American soil, not earing whether it were on Broadway or in Old Point Comfort, and they were disappointed when informed that they cannot get permission to go ashore until after Friday, and possibly not then. Details from each ship will be sent to Norfolk on Saturday to particinate in the mammoth celebration which is being planned by Virginia's leading seaport, but they will have to return to their quarters when the parade and

guration. Beginning today, they will receive a

month's pay, the first since they were at Marseilles. Four boxes of new gold coins were placed abroad the Yankton yesterday, and this morning the paymasters from the different ships went to the Yankton and, like Tammany district leaders on "dough" day, got their share of the money for distribution among the members of their crews. Several hundred men whose enlist-ment has expired were honorably disharged yesterday, and there were some who were given bad conduct discharges for the good of the service. The former class left their ships amid the cheers of their comrades. They were in uniform, but many carried brand new suit cases containing smart English clothes purchased abroad. The aforesaid suit cases in many instances were literally covered with hotel labels pasted in every port of call

themselves getting the bluejackets' no tions about the cruise just ended. The said they had heard a thousand and one details of it from the officers but not one word from the men, who in various places were fairly swamped with kindnesses.

Steamer Back Safe.

the Washington excursionists who were unable to get passage from Hampton Roads yesterday, reached the Washington dock at noon today. Ear safe arrival and that of the special trains be way of Richmond and Petersburg today, means that practically all of the thousands of Washingtonians who witnessed the review of the floor way.

PRIZE FOOD Palatable, Economical, Nourishing.

A Nebr, weman has outlined the prize

food in a few words, and that from personal experience. She writes: "After our long experience with Grape-Nuts, I cannot say enough in its favor. We have used this food almost continually for seven years." "We sometimes tried other advertised breakfast foods but we invariably returned to Grape-Nuts as the most palatable, economical and nourishing of all. "When I quit tea and coffee and began to use Postum and Grape-Nuts, I was a nervous wreck. I was so irritable I could not sleep rights, had no interest in life.

ments have disappeared and now I am a well woman. My two children have been almost raised on Grape-Nuts, which they eat three times a day.

"They are pictures of health and have never had the least symptom of stomach trouble, even through the most severe siege of whosping cough they could retain Grape-Nuts when all else failed."

"Grave Nut."

Grape-Nuts food has saved doctor

bills, and has been, therefore, a most economical food for us,"

Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pkgs. "There's a Reason." Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

DEGREES DEALT OUT BY THE WHOLESALE

Head of the Oriental University, of Alexandria, Placed Under Arrest, and Is Kept Busy Explaining His Methods of Doing Business.

(Continued from First Page.) quired by recognized institutions of

learning Degrees "On Tap.'

Information in the hands of the Attorney General and the Corporation Commission of Virginia, and the United States postal authorities who have been investigating Holler's educational methods for some time, indicates that the and other repairs, the Kearsarge to the Oriental University has been ready at navy yard at Philadelphia and the Ken- all times to accommodate with a diplo tucky to the navy yard at Norfolk. Ad- ma anyone with the necessary cash miral Arnold's flagship, the Maine, will who might desire to attach a degree to

Every day was commencement day The three scout cruisers, Chester, Bir- and doctors of medicine, theology, or mingham, and Salem, will leave Hamp-ton Roads probably tomorrow for Brad-ford. E. L. where they will coal with medical works. Holler today exhibited four papers, signed by four of the physisumption tests, which were postponed cians mentioned, and said that on the owing to the arrival of the fleet. ploma to Mr. May.

"His Faculty."

"They are my faculty, and I was bound to issue the diploma," said Holler, although he acknowledged that Mr. May had enrolled with him early in 1908, and

The physicians whose names were signed to the papers repudiated any re "I am not a member of his faculty to take part in the inaugural cere- have tried to make that man stop using monies, and during that time the re- my name, and have communicated with

the State and Federal authorities to compel him to do so. "I understand that the other physicians whose names he has been peddling around the country have made equally vain efforts to prevent Holler making them a party to his imposition upon the public. I signed a paper for Mr. May, whom I quizzed in medicine in return for quizzing by him in German, merely to the effect that he had read up some

on certain subjects.
"I never certified that he was entitled "I never certified that he was entitled to a diploma. That would have been absurd. My relations with Mr. May had no connection with the Oriental University, with which I have refused to have anything to do from the time Holler struck Alexandria.

"I wrote to President Eliot, of Harvard University, for confirmation or

denial of statements contained in Holdenial of statements contained in Holler's pamphlets that he had been connected with Harvard University. Dr. Eliot wrote back that Oriental University was, to use his exact words, 'a transparent device to market diplomas.' "He expressed the hope that the good clitzens of Alexandria would see that the so-called university was suppressed. "With Drs. Wilkins, Moore, and Warfield, I wrote to the corporation commission of this State which granted the Oriental University its charter, and

Busy Coaling Ship.

All of them have today been busy coaling ship. This routine will continue tomorrow, and after that it will be clean ship. That will take a couple of days at least. There is a tremendous amount of work to be done, and it is not unlikely that the sailors will be kept at their task until after the inauguration.

mission of this State which granted the Oriental University its charter, and Chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character,' and declared that the 'men guilty of the frauds committed' in the name of the Oriental University 'were engaged in fraudulent practices of the most transparent and outrageous character,' and chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character, and chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character, and chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character, and chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character, and chairman Prentis wrote me that the 'people operating' this university 'were engaged in fraudulent practices of the most transparent and outrageous character, and chairman Prentis wrote me that the 'people operating' this university its charter, and Chairman Prentis wrote me that the 'people operating' this university its charter, and Chairman Prentis wrote me that the 'people operating' this university its charter, and Chairman Prentis wrote me that the 'people operating' this university its charter, and Chairman Prentis wrote me that the 'people operating' this university its charter, and Chairman Prentis wrote me that the 'people

principle of individual and universal volution. Its courses begin with sub-The steamer Norfolk, which carried the Washington excursionists who were mable to get passage from Hammon and a college president."

Two of Degrees.

President Holler in a conversation at the Alexandria police station before he the Alexandria police station before he my darling sister, MARY E. SCOTT, daught m nessed the review of the fleet are now acknowledged that two of the three degrees of S. T. D., B. D., and Ph. D., were obtained by him from the Potomac University, of which he was the representative in Boston and Gowanda. The degree of bachellor of divinity was obtained from the Lutheran Seminary in Chicago. Mr. Holler stated, and Mr. May informed the reporter that while Holler had been a Lutheran clergyman, he had been "permitted to

While Mr. May is protesting that he was not instrumental in bringing Hol-ler into the clutches of the law, Holler denounces May as the author of all his troubles. He even went so far today as to assert that there was a conspiracy afoot to drive him out of Alexandria so that the field in which he is working might be acquired by another "university" on the same lines as the Oriental. Without blinking an eyelash, Holler said he had given a diploma in den-'After using Grape-Nuts a short time

Have No Dean.

"Who is the dean of the department of dentistry?" Holler was asked today. "We have no department of dentistry and no dean of dentistry," he replied. "Who is the dean of the medical fac-

"Well, we haven't one now," he explained, "Dr. Moore was our first dean,

another, and now a Dr. Kelly is acting as dean until another physician I have in mind takes the office."

Holler refused to give the address of Dr Kelly or the name of the prospective dean, and persisted in shrouding the entire medical department of the institution in mystery

"Would you give a diploma and a de-ree of M. D. in a few months to anyoody who came to the Oriental University and paid for it as you did to "Mr. May brought me the papers signed by the doctors. I had nothing to do but issue the diploma. The responsibility belondgs to the doctors and part to me."

Holler today, through his attorney, ouis A. Machen, the accused man declares that he was arrested on comthat Mr. May was an instructor in the 'university" until last October, when he alleges he asked the clergyman to reign because he received information that the latter was contemplating formng an institution similar to the Oriental University. In his statement Holler endeavors to make Mr. May and he physicians who instructed him, share he responsibility for the conduct of the

Chauffeurs Decide Not to Continue Fight Against Company.

The taxicab strike is at an end. Following the announcement in The imes yesterday that the Termina Taxicab Company was operating al of its motor vehicles the same as be fore the strike, a meeting of the em ployes who walked out was held in the office of Attorney William Neale, and the strikers decided that they had had enough.

"This was not a strike in the first place," said Mr. Neale, who represent: the drivers. "It was simply a bust ness proposition from start to finish As soon as they walked out the me made overtures to officials of the company to go to work for a nomina salary, but the company refused them the salary, demanding that they go to work on the scale already ar-
